Records Located on Website (Complete both sides) If the LCCMHA directly or indirectly administers or maintains an official internet presence, any public records available to the general public on that internet site at the time the request is made are exempt from any labor charges to redact (separate exempt information from non-exempt information).			

If the FOIA coordinator knows or has reason to know that all or a portion of the requested information is available on its website, the LCCMHA must notify the Requestor in its written response that all or a portion of the requested information is available on its website.
