

## Public Comment Request

Public comment is requested on the Michigan Department of Community Health's annual application for Community Mental Health Block Grant funding. The application is for funding of \$13,088,713 for the fiscal year that begins October 1, 2008. These annual funds are used to improve public community-based mental health services for adults who have serious mental illness and for children who have serious emotional disturbance.

The plan can be accessed at the following site:
